### "A New Look Perspective"

Dear Church Family,

As I was praying and looking to approach the New Year in an attitude of spiritual renewal and blessing when God stirred a thought in my spirit, **"This is the Year of Blessings."** This was re-affirmed for me as I read a correspondence addressed to me which said, "Peacemakers and justice-seekers should look forward to a new year to be blessed." We need to have a "New-Look" perspective for what the Lord is going to do for us as we continue to move forward with GREAT expectations of bountiful spiritual blessings. God will make it possible through His plan as proclaimed, **"All things will work together for good according to His purposes for those [us] who love the Lord."** Romans 8:28

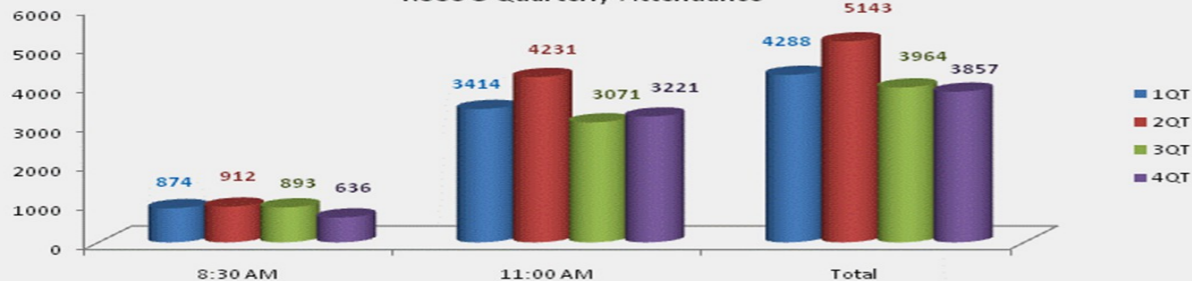

This month we will experience a wonderful time of celebration when the Brand New Life Christian Center Combined Choir and Pastor Earl Palmer come all the way from Philadelphia to join us for a weekend of worship and a concert in observance of the birthday of Dr. Martin Luther King, Jr. The weekend schedule is as follows:

Blessings,
