## *"God's Choice, God's Plan Involves You"* Deuteronomy 7:6-10

Dear Church Family,

After prayer and meditation, I sometimes ask, "How did I end up where I am? Why are things the way they are? What is it that God has planned for me?" A variety of circumstances causes every one of us to experience moments where we need to know answers to similar questions. These answers could encourage us to have more patience to allow God's plan to unfold or to motivate us to wait because the best is yet to be! Someone once wrote, "If I only knew where in the world I belong and what is the purpose of my existence, then I would have more faith to trust the Almighty." This question was posed by an unknown source, but how fitting it is when we find ourselves in situations of complexity or even confusion.

John Powell, an Associate Professor of Theology at Loyola University in Chicago, states in his book, A Reason to Live! A Reason to Die!,

*"What if traditional faith and religion were to relinquish all our delusions about a privileged status, and were to enlist our strength in collaboration with anyone who wanted to work for the solutions of human disunity and distress?"* In raising this question, John Powell reaches the conclusion that our faith should speak of God's choice to choose us for the purpose of bringing about solutions in the world, especially for humankind.

So, I want to encourage you to know that you are God's choice for His plan to resolve differences of disunity and distress in the world. Let us move forward in God's plan, certain that we are His choice!

Blessings,  
Pastor Curry
