Dear Church Family,

I want to introduce to you the KIDZ "R" US Children's Ministry program and direction. Jesus said in Matthew 19:14-15, **"Let the children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.** When he had placed his hands on them, he went on from there." The vision of the KIDZ "R"US Children's Ministry of the Kendall Community Church of God is to present, promote and prosper children and their families using seven theological and practical spiritual principles lifted from Matthew 19:14-15.

To fulfill the purpose of this vision the direction of the ministry of children and youth will work together in conjunction with the Senior Lead Pastor to plan activities, programs and specific family developed monthly themes to be presented and promoted to prosper children and their families.

In the month of September, the KIDZ "R" US Children's Ministry will launch the first such monthly themes and important children and family activities that warrant the support of the church family's participation. The theme and focus for KIDZ "R" US Children's Ministry is, **Children Let Us Pray.**

During the entire month of September, children will learn the importance of prayer and short prayers each week to say with their families each Saturday at an established family prayer time. This is where the support of the church family to participate is crucial. Let us do the very best to set aside some time each Saturday in September to have our children pray with us as a family unit. Please read your church bulletin each week for the short prayer for the children. It will be printed in our Sunday Morning Worship Bulletin for the next Saturday Family Prayer Time beginning, Saturday, September 3, 2011.

The short prayer for next Saturday is, "Our Father who are in heaven, I love you and I want you to please bless my family. This is my prayer for today, AMEN!"

Blessings,

Pastor Curry

Teaching Children to Lead Their Families in Prayers Children Let Us Pray September 2011

The mission of the Kidz "R" Us Children's Ministry of the Kendall Community Church of God is to present, promote and prosper children and their families using the seven theological and practical spiritual principles outlined in Matthew 19:14-15 as our guide.

- Spiritual training and teaching starts at an early age.
- We must acknowledge the presence of children as Jesus did.
- We must establish spiritual rite of passage for children as Jesus did.
- Jesus and His relationship with children is an example of His Kingdom.
- Innocence and humility of children are the keys to spiritual inheritance.
- The future family connection of His Kingdom begins with a childlike faith.
- The "Hand of Anointing" and blessings rest upon children.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14-15

Men's Ministry News

The Men's Ministry of KCCOG will begin having their Sunday Brunch Bible Study on the 2nd and 4th Sunday of each month. They will no longer be having a prayer breakfast and bible study on Saturday mornings. We hope that this change will lend our men to become involved with other men and contribute to the growth of the ministry as they begin a journey of focusing their lives on Christ. **"Men Under Construction"**

Don't forget to come out and join us on the last Saturday of each month for our monthly Fish Fry & Family Fellowship from **12:00 p.m. until....** So bring the entire family to have a day of fun and fellowship.
