*"But you are a chosen people, a royal priesthood...."*

1 Peter 2:9

*"The Royal Family of Holiness"*

Dear Church Family,

I watched early in the morning this past Friday the Royal Wedding of Prince William and Kate. Millions tuned into the live telecast of this most elegant, exclusive and elite occasion to see the grandeur and splendor of the **Royal Family** of England. Many thoughts raced through my mind as I viewed the privileged of England demonstrate to the world what their structured Monarchy with its hereditary succession of tenure, authority and power experience in this most extravagant wedding celebration. My thinking led me to understand what "Royal" truly means in the eyes of the world and what the Royal Wedding represented.

Then, I thought that this event could only be a dream of so many never to be their own experience of such status and privilege. However, I drew a parallel imagination of the spiritual dimension of our faith in Jesus Christ. I summoned the Word of God to assist me in this image which calls us a **Royal Priesthood**. *"But you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light."* (1 Peter 2:9 NIV) Well this brought into view another telecast with a broadcast of spiritual elitism for all who accept by spiritual hereditary Jesus Christ as Lord and Savior.

WOW! A Holy God, who gave us His Holy Son, who purchased a Holy Church, through the Salvation of souls by His Holy Blood, means that we are the, **"Royal Family of Holiness."**

Unlike the occasion of the Royal Wedding, the Church of God has identified the experience of being a **Royal Priesthood** a privilege status of change in the lives of our Lord's subjects. That we His subjects people would demonstrate a truly humble, surrendered life that is bearing the fruit of the Spirit.

Blessings to You the Royal Family,  
*Pastor Curry*
