The KCCOG Letter of Good News
Sunday Worship Services:
8:30 AM & 11:00 AM
Volume 3 - Issue #9
October 2011

Dear Church Family,

I have been thinking and praying about the wonderful and exciting things that the Lord is doing! It was with a great sense of joy that my heart joined in with what the Psalmist declared, "The Lord has done this, and it is marvelous in our eyes" (Psalm 118:23). Testimonies of healing keep coming to our attention and many other spiritual blessings the people of God are experiencing. It is wonderful that the Lord permits us to witness these things before our very own eyes.

The month of October is going to be a wonderful month of sharing in services, programs and activities which will lift your spirits and encourage your hearts. It is a month that you will want to be in church! There is something planned for every member of the family from our children to our senior mature adults, for single adults, married couples and single parents.

In the final weekend of October on Saturday, the 29th at 7:00 p.m. there will be a Church Family Variety Show. All of you are encouraged to show off your talent, gifts and skills by participating! I hope that you schedule your time to attend some of these special spirit-filled uplifting and fun fellowship services, programs and activities.

So, read this newsletter carefully and observe all the announcements, e-news, and e-mails, etc. concerning this month's events and make sure you show up for a blessed time!

Blessings,

Pastor Curry

Reminder: October 30th is Youth Sunday...One Worship Service at 10:00 am!

KIDZ "R" US Children's Ministry

Promoting and prospering our children and their families

Children are a blessing from the Lord. With these blessings also come responsibilities. As guardians of God's children, parents are responsible for helping children grow physically, intellectually, emotionally and spiritually. Churches have a responsibility toward children, too. We want to provide an environment in which children are safe, are taught at an age-appropriate level, and are encouraged to develop a relationship with Jesus Christ.

Therefore, Beginning October 2nd, 2011, we will no longer be utilizing Parker Hall as a classroom setting for Sunday school. Parents are asked to dropped off and picked up their children in Classroom 7 instead of Parker Hall. More information regarding Sunday will be available from teachers in classroom 7.

October is Children Let Us Go To Church Month

It's a month of child evangelism for inviting families to church.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14-15
